The screenshot shows a web browser window displaying the eVA (Electronic Vendor Access) website. The browser's address bar and toolbar are visible at the top. The website's header includes the eVA logo and navigation links: "Welcome, Guest User", "Business Opportunities", "Vendor Registration", and "Vendor Bulletin Board". On the right side of the header are buttons for "Admin", "Home", "Help", and "Logout".

A left-hand navigation menu is partially visible, containing links for "Business Opportunities", "Search for Solicitations", and "View Commodity History". The main content area is titled "Business Opportunities" and includes a "Help & Advice" button. Below the title, a paragraph states: "This section provides access to the information about the various business opportunities currently available."

Three links are listed in the main content area:

- [Solicitation Search](#) - BELL your goods or services through the solicitation process.
- [View Commodity History](#) - Search our database for information about our last ten purchases of a given commodity.
- [Quick Quote](#) - RESPOND to Quick Quote Invitations.

A red circle highlights the "Solicitation Search" link, and a red arrow points from a yellow callout box to it. The callout box contains the text: "Click Here to navigate to solicitation and award notices."

The EMS logo is located in the bottom left corner of the page.
